LAZYBONES

Euphemia 3 Wallpaper

We love the boho chic style and this eclectic floral wallpaper hits that mark perfectly. Ideal for a hallway or foyer, create a playful mix of eclectic and bohemian design. Filled with vibrant colours and mid-century furniture, a space like this won't go unnoticed and it's a great way to welcome your guests with its personalised atmosphere.

The Royal Botanic Gardens Melbourne invited lazybones to produce an exclusive collection based on material from their archives. After much research they decided to concentrate on the flower painter, Euphemia Henderson (1822-1908). Euphemia had a passion for our native Australian flora. Inspired by this lazybones used her beautiful works as springboards for our new wallpaper designs. Royalties from this range will go to the Royal Botanic Gardens Melbourne.
