WALLPAPER REPUBLIC

Exotic Kingfishers Fabric

Inspired by the colourful Oriental Dwarf Kingfisher resident of the Indian subcontinent and Southeast Asia, this vibrant pattern transports you into an exotic jungle experience with its flowing leaves and flowers.

This bold bird fabric design is perfect for curtains, cushions, drapery and upholstery. Choose from six striking colourways to suit any interior.

Made to order. Ships in 14-21 days.

USAGE

Domestic & Commercial

WALLPAPER REPUBLIC

The risk taking Wallpaper Republic Collection is a unique community of artists, illustrators, designers and photographers from around the world. Their individual skills are showcased in designer wall coverings that

challenge the traditions of wallpaper with breathtaking and exciting results.

ADDITIONAL INFORMATION

Fabric Care Instructions

Please view our complete fabric care and stain removal instructions here. This care guide has been compiled to help you select your chosen fabric with confidence and to maintain the feel, comfort and appearance of your fabric throughout its lifetime.

If you have any questions please email or [contact us](#) through one of our many touch points. We're more than happy to help!

Waterproof Upholstery

We can manufacture our designs to meet commercial requirements and more. Including Polyester with Waterproof Backing, Soil Release Finish, and Antibacterial & Antimicrobial. Fabrics designed to resist the rigors of high spillage areas. Contact our trade department to discuss the possibilities or [schedule a callback](#) with one of our trade representatives at a convenient time for you.
