# Hummingbirds Fabric

Inspired by a childhood of summers in Quebec, Hummingbirds fabric is a gorgeous design that perfectly captures the elegant motion of these magnificent birds. A symbol of luck in Native American culture, these birds pair perfectly with the Bird of Paradise flowers, which are often used to symbolize love, freedom and prosperity.

The sky is limit when it comes to this fabric – it can be used for upholstery, curtains, accessories, cushions, bedding and more. Available in five beautiful colourways.

**Made to order. Ships in 14-21 days.**
