## Fracture Wallpaper (IM)

Designed as drops/panels. This stunning geometric triangle wallpaper is ideal for creating a unique, minimal and individual aesthetic. Like falling rain, these triangles are heavy at the top reducing to a light fall at the bottom. A strong relationship with nature is visible in this mixture of abstraction and shape.

A modern designer wallpaper that will certainly make a bold statement. Add a big dose of vibrancy and movement.

## INGRID & MIKA

Ingrid & Mika is a wallpaper collection designed by the studio at Milton & King. Taking its inspiration from Scandinavian or Nordic Design. A range of wallpapers designed with a pure, pared back style that is centred around warm functionality, clean lines, flawless craftsmanship and understated elegance.

The use of bold black and white designs, natural textures and minimalist shapes tempts the design-savvy designer and can add a dash of Scandinavian style to every home. It combines clear lines and refined forms with a playful interpretation and happy colors. It is cool, modern, young and vibrant. Suitable for all interior spaces, from bathrooms, workspaces and stylish nooks to living rooms, kitchens and architecture projects.

The minimal nature and simple geometric forms of the collection makes installation quick and easy. Achieve dramatic results with these hard wearing and cleanable wall coverings. Whether you are looking for a smart solution for the living room, home office or your business workspace, this clean, modern collection is the perfect match.

A black & white interior done right. With a mix of subtle grey wallpapers, black and white and colored designs this collection is best used in collaboration with earthy muted tones, honest materials (like wood to add warmth) and minimal ornamentation. Most of all remember function; a truly Scandinavian interior is livable and relaxed.

### **Non-woven wallpaper advantages**

The most user-friendly wallpaper on the market.

Sourced from FSC Certified Forests and printed with water-based ink. Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Our designer wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24" wide x 33' long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
