

ELLA & SOFIA

Kandos Fabric

In collaboration with Sydney Living Museums, the Caroline Simpson Library and with the guidance of curator Michael Lech. The Ella and Sofia 'Kandos' design comes from an original wallpaper by Morrisons in the 1920s now available as flamboyant fabric. The Kandos design has a beautiful fluidity and incorporates elements of the natural fauna of the day. Elements of the native bird have been added as a reference to Sydney and celebrate the shape and form of our natural landscape.

SPECIAL NOTES

Our fabric is sold by the vertical metre.

We offer samples for all of our fabrics. Samples are A4 in size (21cm x 29.5cm) to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how many metres you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.

ADDITIONAL INFO

Fabric Care Instructions

Please view our complete fabric care and stain removal instructions [here](#). This care guide has been compiled to help you select your chosen fabric with confidence and to maintain the feel, comfort and appearance of your fabric throughout its lifetime.

If you have any questions please email or [contact us](#) through one of our many touch points. We're more than happy to help!

Waterproof Upholstery

We can manufacture our designs to meet commercial requirements and more. Including Polyester with Waterproof Backing, Soil Release Finish, and Antibacterial & Antimicrobial. Fabrics designed to resist the rigors of high spillage areas. Contact our trade department to discuss the possibilities or [schedule a callback](#) with one of our trade representatives at a convenient time for you.
