KEMRA

Library Card Wallpaper

Do you remember those classic drawers that were used in libraries in the days when the digital age was something out of a science fiction movie? Who would have thought that years later they would become a decorative and interesting design option. Wooden reproductions of these little drawers are big sellers in the furniture world, and thanks to this amazing wallpaper you can have the best of both worlds. The visually appealing look without the need to install a piece of bulky furniture in your room is a huge bonus for those who want to create an effect without breaking the bank. So realistic is this high quality designer wallpaper that we almost guarantee somebody will try and open a drawer.

Non-woven wallpaper advantages

The most user-friendly wallpaper on the market.

Sourced from FSC Certified Forests and printed with water-based ink. Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

All Milton & King wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Our designer wallpapers are also hard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 61.5cm wide x 10m long. Our rolls are the equivalent to a US double roll providing 6 square metres per roll.
