

ELLA & SOFIA

Narnie Fabric

Narnie is synonymous with black and white. The first ever Ella and Sofia design, this chrysanthemum is a best seller that is chosen for its everlasting style. Named after the designer’s great aunt, who loves all flowers, it is strong yet not overtly feminine black and white fabric.

SPECIAL NOTES

Our fabric is sold by the vertical metre.

We offer samples for all of our fabrics. Samples are A4 in size (21cm × 29.5cm) to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how many metres you’ll need for your project. We recommend overestimating so you don’t run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
