## Paperflock Wallpaper

Paperflock, a bold and modern wallpaper. A updated play on paper silhouette craft and inkblot printing conjures this bold balance of the minimal and opulent. In contrasts of striking colours and natural textures, this design makes a grand statement yet pairs easily with others. The motifs for this artwork were cut from paper mirrored in slight variations and placed in a dynamic bird flock like repetition. Paperflock is about relishing the unmapped creative process and cherishing the unexpected end result.
