Peonies & Anemones Wallpaper (Two Roll Set)

Designed to add texture and femininity to a fresh white space without commanding it. Designed by the very clever Carmen Hui, a great wallpaper for subtle interiors – not too scary for those who are afraid of pattern or colour, and can add a beautiful softness to an otherwise stark white room. This is a double roll version of the regular Peonies & Anemones wallpaper design that features a larger neutral floral arrangement spanning over two rolls before repeating the pattern.

Manufactured as a double width design (set) requiring 2 rolls, A+B to complete the horizontal repeat. One set is equivalent to 12 square metres.
