LOVE MAE

Sleeping in the Woods Wallpaper

Made to order. Ships in 3-4 days.

Give your little one an adorable environment to grow up in when you surround them with a peaceful environment full of beautiful trees and cozy deer. Sleeping in the Woods is ideal for a country setting, or minimal Scandinavian or if you are looking for an alternative to more traditional themed children's wallpaper. The calming wallpaper is peaceful to look at, and instantly gives any room a warm, comfortable feel. This black and white design will coordinate well with other colors, or you can go with a primarily black and white theme for a modern look.

LOVE MAE

Love Mae is an Australian creative studio that designs and brings to life gorgeous children's wall coverings. A collection inspired by beauty, love and wonder. Wallpapers perfect for a little boy or girl's room.

Nestled in the coastal hills of Northern NSW Australia, Love Mae believes in a quality product that not only has a purpose but that is so very pleasing to the eye, it enhances your home and sometimes even your spirit.

When planning a nursery, it is important to find a color scheme that also provides the right balance of stimulation and relaxation to allow for a restful sleep space. Love Mae's pastel color palette is subtle and soothing on the eyes. The perfect kind of environment to more easily lull baby off to sleep.

A nursery can pull off more whimsy than most other rooms. Find a fun pattern and paper the entire room or just one wall. Build on the pattern by adding complementary colour or art. From polka dots to cute florals and pastel chevrons, this designer range of children's wallpapers will create a delightful space for you and your child.

Love Mae are lovers of what they do and hope that you feel this through their color palette, quality and environmental decisions. Love a little bit more passionately, live a little more recklessly and nurture a little more deeply.

ADDITIONAL INFORMATION

Non-woven wallpaper advantages

The most user-friendly wallpaper on the market.

FSC Certified – Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.

Fire rated – Our wallpaper has obtained a Class A / Group 1 Fire rating. Meaning they are ideal for both commercial and domestic applications.

Breathable – Nonwoven wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

Butt Join – Also known as a butted seam. The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Non-woven wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24” wide x 33’ long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
