SHIBORI

Stalactite Wallpaper

A beautiful elongating grey wallpaper formed using a traditional Japanese dyeing technique, Shibori. Stalactite embraces the simplicity that this skilled craft brings through the twisting and wrapping of fabric, creating a beautiful surface design with hand formed geometric patterns.

Achieve stunning results with this wallpaper in your bedroom or use it to visually increase the size of your bathroom. A very adaptable design that will work beautifully with bronze pendant lights or matte black bathroom hardware.

To view more Shibori wallpapers like the Stalactite design, or to simply be inspired by some amazing interiors, interior designers or installations, follow our [Instagram](#). It's packed full of striking images and sensational wallpaper ideas.

Made to order. Ships in 3-4 days.

SHIBORI

Welcome to the Exclusive wallpaper collection from Sydney studio Shibori, created by Pepa Martin and Karen Davis. A boutique textile agency, renowned for pushing the boundaries of this ancient Japanese craft. By exploring and modernising old techniques on modern fabrics the pair injects a strong design element into their work making an old craft new again.

ADDITIONAL INFORMATION

At Milton & King we have a huge range of floral wallpapers for you to choose from whether you're decorating your hallway, living room, bedroom or dining room we have a wallpaper to suit your style and budget! With more than 500 wallpapers in total, we are bound to have the statement wallpaper you have been searching for. Our exclusive wallpaper collections are produced using a high quality base with all the precision and care you would expect from Australia's leading wallpaper manufacturer. Created to pack an interior design punch, our self-adhesive wallpapers are unique as they are exclusive. Combined with superior customer support and quick delivery times throughout Australia & New Zealand.

Non-woven wallpaper advantages

The most user-friendly wallpaper on the market.

Sourced from FSC Certified Forests and printed with water-based ink. Milton & King's wallpapers are of the

highest quality, are environmentally friendly, and totally 100% vinyl-free.

Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Our designer wallpapers are also hard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 61.5cm wide x 10m long. Our rolls are the equivalent to a US double roll providing 6 square metres per roll.
