EMRO

## Banksia Wallpaper

A subtly geometric design, Banksia was created by Bundjalung (Northern New South Wales, Australia) artist Christine Slabb and depicts the iconic Australian flower of the same name. Banksia flowers are known for their unique bottle-brush shape and their sweet nectar. This wallpaper has various species of Banksia flowers used across Australia by local Indigenous peoples for a range of purposes, including using the nectar to create sweet drinks and sore throat remedies, using dried flower cones to strain drinking water, and using banksia wood to create needles for weaving baskets and mats. Banksia wallpaper is a simple way to add depth and dimension to a space without overshadowing other features. This design is available in a subtle grey and a deep, moody teal to complement a range of styles.

## EMRO

Emro is the brainchild of Emma Rolls. After working for years with community organizations, she officially launched her own collection in 2019. Her art features work by Aboriginal artists who create designs inspired by ancient traditions of indigenous culture. Known for homewares like rugs, cushions and picnic blankets, she now has launched a collection of wallpapers.

## ADDITIONAL INFORMATION

If you're looking where to buy wallpaper online, look no further than our store. With free shipping and super fast turnaround times our wallpaper online is the number one place to buy. Speak directly with the manufacturers and receive best in class support.

### **Non-woven wallpaper advantages**

The most user-friendly wallpaper on the market.

Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.

Fire rated – Milton & King wallpaper has obtained a Class A ? Group 1 Fire rating. Meaning they are ideal for both commercial and domestic applications.

Breathable – Non woven wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

Butt Join – Also known as a butted seam. The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – The Milton & King designer wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24” wide x 33’ long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
