Dried Herbs Wallpaper

With imagery of an array of herbs hanging upside down, among them mint, thyme and rosemary, the Dried Herbs wallpaper depicts a popular practice in herbalists' and cooks' kitchens. Hanging herbs upside down enables the essential oils to flow downward from the stems to the leaves, allowing the herbs to be stored and preserved for future use. Dried Herbs portrays this time-old tradition in a natural pallet of sage greens and soft mauves to create a pleasant and unusual backdrop.
