Great Wave Bloom Removable Wallpaper (Two Panels)

A Removable Japanese wallpaper celebrating the essence of the Ukiyo-e movement, an inspired intermingling between the stunning Japanese art of Ikebana (flower arrangement) and a captivating re-imagining of Hokusai's iconic yet timeless "The Great Wave off Kanagawa". This surreal design functions from afar as an engaging omen to traditional depictions of awe-inspiring Japanese floral designs, however in detail, pays homage to the original wood-block print, featuring wild seas, boats with fishermen and mountain scapes. Above all GREAT WAVE BLOOM is a tribute to the beauty of Japanese culture and arts.

Manufactured as a double width design requiring 2 panels A+B to complete the horizontal repeat.

How to determine the number of wallpaper panels you need

1. Measure your walls – make sure you have an accurate measurement in inches of height and width of the portion of the wall you'll be covering. Sometimes it helps to draw a rough sketch to use while you do your calculations.

2. Determine the number of panels you'll need across your wall. Our removable wallpaper panels are all 24" wide. Once you have the width of your wall in inches, take the width and divide by 24. This will give you the number of tiles that you will need horizontally. Remember to always round up!
