EMRO

Landscapes Wallpaper

Landscapes wallpaper from Emro Designs was designed by Bidjara (Eastern Queensland, Australia) artist Sheri Skele, and features indigenous depictions of vast desert dunes, towering forests, and thundering rivers. This wallpaper design is a showcase of the ever-changing Australian landscape, which is integral in shaping the unique identity of its Indigenous peoples. Landscapes perfectly captures the diversity of the plant and animal life Australia is known for, with scattered animal tracks across outback plains, human footprints in low tide, and bushlands ravaged by wildfire all coming together to show the country's ever-changing climates and natural environment. A worldly addition to any living room or bedroom, this design is available in four colours to suit a range of interiors.
