KEMRA

Vintage Bricks Wallpaper

Made to order. Ships in 3-4 days.

This high quality, uber realistic brick wallpaper can turn a room with a plain white wall into a modern contemporary space. If you've spent any time in a New York loft (or even watched a movie set in the Big Apple), then you would be familiar with exposed brick walls as an aesthetic choice. With that 'old meets new' vibe, this brick wallpaper is a must. With earthy grey tones and raw rough style brick, this wallpaper is at its best when accompanied with exposed wooden beams which add a rustic feel; and white furniture keeping it modern and classic.

KEMRA

The exclusive Kemra Collection. A popular range of faux wallpapers that blur the lines between wallpaper and the real thing. Designed by the Milton & King studio, this collection of realistic photographic wall coverings is designed with practicality in mind. Hard wearing, easy to install and cleanable, they are the perfect addition to any domestic or commercial decor.

Faux effects wallpapers authentically create a new identity for your walls. Use the Kemra faux effects to create texture fooling the eye into believing the walls are actual wood, brick or leather. Browse through our many natural faux wallcoverings available in beautiful neutral colors.

Exposed brick walls can read as either rustic charm, storied industrial decay, or effortless warehouse cool. They supply endless character, warmth and texture – no matter what the context. None do this better than the Kemra range of realistic brick wallpapers. These wallpapers are stunning and create a textural elegance that is definitely not boring, giving any room the appearance of having a real brick accent wall.

Not all the Kemra range are natural faux finishes however. Immerse yourself in the realistic vintage bookshelf wallpaper or work up a sweet tooth with the delectable macarons. Perfect for a cafe or cake shop.

ADDITIONAL INFORMATION

Non-woven wallpaper advantages

The most user-friendly wallpaper on the market.

FSC Certified – Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.

Fire rated – Our wallpaper has obtained a Class A / Group 1 Fire rating. Meaning they are ideal for both commercial and domestic applications.

Breathable – Nonwoven wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

Butt Join – Also known as a butted seam. The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Non-woven wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24” wide x 33’ long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
