BETHANY LINZ FABRIC

Bethany Linz is an Australian artist and textile designer who has launched several collections and individual designs with Milton & King. Aged With Grace is a collection inspired by old hand-painted murals. Hence, they feature how these works of art seem to grow even more beautiful over the years. The aesthetic is tropical yet rustic. Young At Heart is Bethany's first kids collection. The focus here is on educational wallpaper as well as simply playful and cheerful wallpaper. Both of these collections of wallpapers and fabrics concern time. Bethany followed this up with her French Collection, which is inspired by the fascination that French culture experienced as world travel brought exotic food and animals to their attention. Her newest Marbling collection brings an ancient art into the modern era. Shop for Bethany Linz's wallpapers and fabrics and enrich your space. [Read](#)
