Calypso Wallpaper

A pineapple wallpaper like nothing else you've seen before. This design is truly free hearted, a syncopated dance of pineapples in African rhythms, tossed around and celebrating in wild abandonment. The retro textural detail and muted sun-bleached palettes transport you to a cane furnished patio drenched in the afterglow of a sweltering day. You can hear dragonflies, laughter, rhythmical drums and ice tinkling in glasses; it's hard not to smile when you feel like you are permanently on a tropical holiday.
