## BETHANY LINZ

Bethany Linz is an Australian artist and textile designer who recently launched two brand new collections with Milton & King. Aged With Grace is a collection inspired by old hand-painted murals. Hence, they feature how these works of art seem to grow even more beautiful over the years. The aesthetic is tropical yet rustic. Young At Heart is Bethany's first kids collection. The focus here is on educational wallpaper as well as simply playful and cheerful wallpaper. Both of these collections of wallpapers and fabrics concern time. However short or however long, there is beauty to behold. Shop for Bethany Linz's wallpapers and fabrics and enrich your space.

### **How to determine the number of wallpaper panels you need**

1. Measure your walls – make sure you have an accurate measurement in inches of height and width of the portion of the wall you'll be covering. Sometimes it helps to draw a rough sketch to use while you do your calculations.

2. Determine the number of panels you'll need across your wall. Our removable wallpaper panels are all 24" wide. Once you have the width of your wall in inches, take the width and divide by 24. This will give you the number of tiles that you will need horizontally. Remember to always round up!
