With more than 500 wallpapers, we are bound to have the statement wallpaper you have been looking for. Our luxury collections are produced using a high quality non-woven base with all the precision and care you would expect from a global wallpaper manufacturer. Combined with superior customer support and quick delivery times throughout the US.

Non-woven wallpaper advantages

The most user-friendly wallpaper on the market.

Sourced from FSC Certified Forests and printed with water-based ink. Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Our designer wallpapers are also hard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24" wide x 33' long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
