USAGE	Domestic & Commercial

BETHANY LINZ

Fern Wallpaper

The Fern Wallpaper features a weaving in-and-out pattern that appeared in a lot of wallpaper designs in the 1700's. The artist, Bethany Linz, decided to strip back the florals from the design and simply take the foundations as her inspiration. Like all of Bethany's designs, she hand-painted first, creating a more organic pattern with rough textures. The design is both raw and timeless. Available in 6 colorways, including Beige, Salmon, Blue, Green, Grey and Pink, the Fern design is the artist's most favorite of The French Collection.

SUSTAINABILITY

- Made to order within 5-7 days using the latest eco-friendly printing tech. That means no over-production and waste like regular wallpaper brands.
- Our PVC Free wallpaper base is sourced from sustainably managed forests.
- We print all wallpapers using odorless water-based ink. GREENGUARD GOLD Certified to standards for low chemical emissions into indoor air.
- Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

Non-woven wallpaper advantages
The most user-friendly wallpaper on the market.

- Sourced from FSC Certified Forests and printed with water-based ink. Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.
- **Breathable** – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries (direct contact with water is not recommended).
- **Paste-The-Wall** – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.
- The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.
- **Spongeable** – Dirt, dust, and other marks can be cleaned with a slightly damp sponge (do not use any solvents).
- **Durable** – Our designer wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.
- **Easy to Remove** – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal
- **Roll Size** – 24" wide x 33' long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
