ELLA & SOFIA

Gadara Wallpaper

Made to order. Ships in 3-4 days.

A 1920s abstract wallpaper frieze by the Sydney Wallpaper and Decorating Company 'Morrison's' has been the inspiration for the Ella and Sofia 'Gadara' design. Black charcoal and white forms the structure of the Gadara design and provides both a masculine and feminine feel. The dots represent a pathway from our history to the present day. A pink colour way has been incorporated to soften the design and resemble the nouveau style of the original piece from which it was inspired.

ELLA & SOFIA

A Sydney based studio that specializes in creating luxurious and elegant wallpaper designs. Ella and Sofia, is the passion and creative release of designer Karie Soehardi. A textile designer for whom the past is very much alive in the present.

The stately and stylish designs found in the Ella and Sofia collection take inspiration from the past, re-imagined for the present. Maintaining the spirit and romance of traditional wallpaper, produced in a digital world. Yesteryear with a twist.

Working with geometry and boldly mixing it with organic branch shapes, pulling out big floral shapes and giving them the feel of loose painterly insects and isolating beautiful nouveau forms presented in monochrome or with the subtle blush of dusty pink.

Color is the trend element reflecting what is happening in today's interiors – purples, blues, silvery greys and pinks. The Ella and Sofia Wallpaper Collection is more than just pattern and color, it's about telling stories that are being lost through time and technology. Creating something meaningful and passionate.

Explore the gorgeous, organic shapes of the black and white wallpaper that is Floss Delight. Or be lost in the beautiful duck egg blue wallpapers of Sarah Annie and Skittles. Looking for something a little more masculine? Why not try Labyrinth of Mirrors or Kaleidoscope. Grey geometric wallpapers Perfect for bathrooms.

ADDITIONAL INFORMATION

Non-woven wallpaper advantages

The most user-friendly wallpaper on the market.

FSC Certified – Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.

Fire rated – Our wallpaper has obtained a Class A / Group 1 Fire rating. Meaning they are ideal for both commercial and domestic applications.

Breathable – Nonwoven wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

Butt Join – Also known as a butted seam. The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Non-woven wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24” wide x 33’ long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
