## MAGNOLIA

# La Grand Coquille Wallpaper

La Grand Coquille Wallpaper is dedicated to the love of all things striped and the passion for a good scallop. It is ultimately a stripe but enhanced and dressed to be much more. The original inspiration came from lovely old French textiles which tended to use stripes, spots and scallops in the background of bouquets of flowers and vines . In developing La Grand Coquille, the scale was enlarged to give it a more contemporary twist and feel. It is the perfect background in any room .
