WALLPAPER REPUBLIC

Lush Life Wallpaper

As a child Paula Coop McCrory was fascinated by the wallpaper in the kitchen, which was covered in tiny fruits and vegetables. Drawing on this memory, she has enlarged the smallest of vegetables – microgreens – and given this floral arrangement a simple whimsical pink color treatment for this wallpaper. This versatile print is her homage to imagination, memory and curiosity. Lush Life is reflective of the delicate aesthetic Paula Coop McCrory cultivates on Pinterest. This durable wallpaper is printed on high quality FSC-certified paper and coated with a specially formulated glaze for added protection.
