

KIM SCODRO INTERIORS

Maya Rose Fabric

Maya Rose is an open floral design with a light, airy composition that translates beautifully into fabric.

Delicate blooms are spaced with intention, allowing the textile to feel soft and breathable. On Classic Cotton Linen, the pattern gains a gentle tactility, making it ideal for drapery, cushions, and relaxed upholstery.

Specifications

ATELIER LINEN BLEND

A refined cotton linen blend designed to bring texture and character to printed designs. Atelier Linen Blend features a pronounced slub weave that introduces depth and movement across the surface, giving each pattern a more tactile, crafted feel. With its heavier weight and natural composition, it offers a balanced combination of softness and structure, making it well suited to both upholstery and drapery.
