# Pally Post Office Wallpaper

Aged by the unforgiving Australian weather and an unfortunate lack of desire and motivation, this tongue and groove wallpaper takes its name from what was once a hive of activity. Positioned across the road from the popular Golden Grain Hotel, the Pally Post Office is a reminder of recent history. A once integral part of any community, the peeling wooden boards of the Post Office are a statement to the changing times of modern life. This wood effect wallpaper is perfect for creating a rustic country cottage or period farmhouse.
