# Plum Blossom Metallic Wallpaper

Gorgeous Japanese floral wallpaper. At the heart of the Ukiyo-e movement is the desire to capture and reflect upon the beauty of the natural Japanese landscape. In Japan, plum blossoms are admired and cherished for their natural beauty and symbolic significance, blooming in February to signal the beginning of spring. Offered in gold and silver metallic finishes, this design captures the plum blossom in its fullest, most lively form and transports interiors into a private plum blossom oasis.

**BATCHING & DELIVERY**

- Note: Samples of this wallcovering are provided for review of the material, pattern scale and print technique – they are not intended to be used for color matching purposes. There can be slight shifts in color between runs, so your wallcovering may vary slightly from sample colouring.
- Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
- Industry leading production times on all orders.
