

Scrapbook Pack – Limited Edition

At Milton & King, we're proud to support the **junk journaling renaissance** and celebrate the power of artistic expression. That's why we've created the **Scrapbook Pack**—a collection of random off-cuts from our premium wallpaper designs, crafted specifically for the scrapbooking and junk journaling community.

- **Includes Random Off-Cuts:** Straight from our cutting room floor, you'll receive a random selection of our wallpaper designs. Each pack is unique, offering a variety of patterns and textures.
- **Perfect for Scrapbooking & Junk Journaling:** Whether you're creating a junk journal or adding flair to your scrapbook, the Scrapbook Pack is the perfect companion for your projects.

By purchasing a Scrapbook Pack, you're not only fueling your own creativity but also supporting a community that values the art of storytelling through design.
