BETHANY LINZ

The Tennis Club Stripe Fabric

A playful interpretation of the classic ticking stripe, The Tennis Club Stripe Fabric features tennis racquets, tennis balls and drifting shuttlecocks woven between rhythmic painterly bands. Inspired by nostalgic club uniforms and leisurely afternoons on the court, the design balances whimsical character with a refined decorative sensibility. Soft colour palettes and hand-painted detailing give the fabric a relaxed versatility, making it ideal for upholstery, curtains, cushions and layered family interiors filled with personality and charm.

BATCHING & DELIVERY

Our fabric is sold by the vertical yard.

Fabric is a final sale product. We do not accept returns or exchanges for any reason.

We offer samples for all of our fabrics. Samples are A4 in size (8.5" x 11") to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how much yardage you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are printed-on-demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation.

Please note: fabric orders are produced and shipped separately from wallpaper. This means your items will arrive in more than one delivery.
