Ticking Stripe (Heritage Hall) Wallpaper

Heritage Hall celebrates the enduring charm of the ticking stripe, a pattern beloved in English and American interiors for centuries. Once woven into sturdy linens, ticking stripes were prized for their order, durability, and understated elegance. This collection honours that legacy with a palette of timeless classics — from the strength of Estate Black and the subtle depth of Cobblestone to the natural calm of English Moss and warmth of Farmhouse Red. Nautical tones like Harbour Navy and refined shades such as Provençal Blue add sophistication, while Sandstone offers a soft, versatile neutral. Together, these colours create wallpapers that are both authentic and versatile, perfectly suited to traditional homes or modern spaces seeking a touch of heritage. Heritage Hall provides a foundation that never falls out of fashion, ensuring the iconic stripe continues to feel fresh and relevant.
