Alabama Wallpaper

Textured Grey Wallpaper. Alabama calls you to travel in time to the roots of cotton history and the honoured tradition of heirloom quilts. You can almost feel the crackling fire in the hearth, smell tea brewing and hear children's laughter filling the house. Imagine the hand-sewn comforter catching a breeze as it hangs on the back of an old rocking chair. From a time when no cloth remnant was wasted, beautiful pieces were forged by hand to warm generations. Textiles loved, mended and re-stitched until the tortured fabric becomes ornamental art for the wall.
