Classic Red Bricks Wallpaper

Brick wallpaper is a great way to add a touch of timeless elegance and industrial chic to your interior design. The classic red brick pattern evokes a sense of establishment and permanence, creating a warm and inviting atmosphere. Our sun-bleached outdoor look reminiscent of an old schoolyard adds a unique touch of character, making it a perfect choice for both traditional and modern spaces.

If you're looking for the most realistic brick wallpaper for your living room or bedroom, our industrial design is sure to impress. This brick wallpaper is highly detailed and realistic, making it perfect for those who want to add a touch of industrial charm to their home without committing to a full renovation.

Our classic red brick wallpaper is suitable for rustic or industrial themed spaces and will add warmth and character to any room. Whether you're looking to create a cozy living room or an industrial bedroom, our brick wallpaper is the perfect way to enhance the look and feel of your home.

Designed as panels that are 330cm high x 61.5cm wide. Each roll comes with 3 panels covering a total of 184.5cm in wall width. When calculating the quantity required. Simply divide your wall width by 184.5cm. For example. 3.6m wide ÷ 184.5cm = 1.95 = 2 rolls

ROLL DIMENSIONS

24" (61.5cm) x 32.5ft (9.9m)

KEMRA

The exclusive Kemra Collection. A popular range of faux wallpapers that blur the lines between wallpaper and the real thing. Designed by the Milton & King studio, this collection of realistic photographic wall coverings is designed with practicality in mind. Hard wearing, easy to install and cleanable, they are the perfect addition to any domestic or commercial decor.

ADDITIONAL INFORMATION

From botanical-inspired prints to exposed material designs like bricks, breathe life into any space, big or small, with one or more of our exclusive designer wallpapers. And it's not just reserved for living rooms and hallways, add bold paper to bathrooms and kitchens to channel a contemporary approach to your interior.

Non-woven wallpaper advantages

The most user-friendly wallpaper on the market.

Sourced from FSC Certified Forests and printed with water-based ink. Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

All Milton & King wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Our designer wallpapers are also hard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24” wide x 33’ long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
