Cotton Grass Wallpaper

Referencing the peaty bog fields of Scotland and open vistas of long grasses with fluffy white heads, the Cotton Grass wallpaper portrays these slender blooms dancing amongst themselves. Also known as bog cotton, or hares' tails, cotton grass swaying in the wind is a beautiful sight to behold and the artist has embodied the plant's delicacy in this wallpaper pattern creating something truly unique by using hand-drawn line work in vintage toned-down hues contrasting the modern zig-zag of horizon lines.
