SIXHANDS FABRIC

## Damask Fabric

In true Renaissance spirit, bridging the middle ages and modernity divide, Sixhands Damask fabric explores the monochromatic Marco Polo-esque florals in digitally printed cloth. Blossoming bouquets of Damascus Jasmine transport you to incense filled markets filled with exotic fruits, coral and glass beads, and the rich spiced scent of cinnamon, saffron and ginger. Great as a curtain fabric.

**Made to order.** Ships in 14-21 days.
