Gosport St Milk Bar Wallpaper

This retro wallpaper is bright, colourful and authentic. Designed to impersonate the youthful Soda Pop Factories that developed in county towns dotted throughout the rural landscape. Generally family operated, they serviced local shops, corner stores and milk bars with their vast array of flavours. But eventually, like most things in the bush all but a few have given way to progress. This nostalgic wallpaper is a monument to the many country towns that had their own bottling factories. Producing their own recipe of fizzy, full of sugar, artificially flavoured carbonated water drinks and the many memories these flavours evoke. Rustic, wooden draws are covered in a delightful mix of vintage soda brands. A wallpaper perfect for cafe's, soda shops, ice cream parlours and kitchens.
