

TIFF MANUELL

Homestead Mural

Artist Tiff Manuell painted the Homestead design with the intention of creating a fun energetic pattern that feels like you are immersed in a meadow! It's loose, free and fun in its painting style and features bright pinks, greens and yellows. Etched lines in the petals add fine detail. The colours and scale of flowers also give a retro vibe to the design, calling back to the boldness of the 1970s. This bright and colourful floral wallpaper will create a happy space, that is for sure!
