Magnolia Bloom Wallpaper

Magnolia Bloom is a collaged floral wallpaper that will bring an element of opulence and luxury to any space. Featuring a blend of exquisite white magnolias, orange butterflies, blue and yellow birds and petite floral accents, this unique layering creates a majestic sense of wonder and style. Inspired by fabric and wallcoverings of grand vintage European sitting rooms, this is a sophisticated and rich design. The palette is a combination of lush verdant greens and clean whites with a pop of colour in the flowers and fauna. This floral wallpaper would be a gorgeous feature of a living room, bedroom or even a beautiful bathroom detail.
