Peonies & Anemones Wallpaper (Two Roll Set)

Designed to add texture and femininity to a fresh white space without commanding it. Designed by the very clever Carmen Hui, a great wallpaper for subtle interiors – not too scary for those who are afraid of pattern or colour, and can add a beautiful floral softness to an otherwise large stark white room. This is a double roll version of the regular Peonies & Anemones design that features larger florals spanning over two rolls before repeating the pattern.

Manufactured as a double width design requiring 2 rolls A+B to complete the horizontal repeat. Wallpaper Set equivalent to 129sq feet or 12sqm.
