BETHANY LINZ

Shadow Palms Mural

Shadow Palms is a tropical mural where all the colour and details from the trees were stripped away, leaving just a simple shadow. Allowing the aged texture overlapping the silhouette to be the focus. Bethany Linz wanted the mood to be like the first light of day, just as the sun rises with its soft light, touching all the landscape with its warm rays. The end result is striking yet soft on the eye. It can be a feature or blend beautifully into any interior, it's modern and yet timeless.

Designed as panels that are 117.6" (300cm) high x 24" (61.5cm) wide

BETHANY LINZ

Bethany Linz is an Australian artist and textile designer who has launched several collections and individual designs with Milton & King. Aged With Grace is a collection inspired by old hand-painted murals. Hence, they feature how these works of art seem to grow even more beautiful over the years. The aesthetic is tropical yet rustic. Young At Heart is Bethany's first kids collection. The focus here is on educational wallpaper as well as simply playful and cheerful wallpaper. Both of these collections of wallpapers and fabrics concern time. Bethany followed this up with her French Collection, which is inspired by the fascination that French culture experienced as world travel brought exotic food and animals to their attention. Her newest Marbling collection brings an ancient art into the modern era. Shop for Bethany Linz's wallpapers and fabrics and enrich your space. [Read More...](#)
