Sleeping in the Woods Wallpaper

Give your little one an adorable environment to grow up in when you surround them with a peaceful environment full of beautiful trees and cozy deer. Sleeping in the Woods is ideal for a forest theme, or minimal Scandinavian or if you are looking for an alternative to more traditional themed children's wallpaper. So step away from the pale pink and baby blue and get ready to design a room that's as unique as your kids are.

This calming woodland wallpaper is peaceful to look at, and instantly gives any room a warm, comfortable feel. This black and white design will coordinate well with other colours, or you can go with a primarily black and white theme for a modern sophisticated nursery.

Non-woven wallpaper advantages

The most user-friendly wallpaper on the market.

Sourced from FSC Certified Forests and printed with water-based ink. Milton & King's wallpapers are of the

highest quality, are environmentally friendly, and totally 100% vinyl-free.

Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

All Milton & King wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Our designer wallpapers are also hard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24” wide x 33’ long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
