SHIBORI

Stalactite Wallpaper

A beautiful elongating grey wallpaper formed using a traditional Japanese dyeing technique, Shibori. Stalactite embraces the simplicity that this skilled craft brings through the twisting and wrapping of fabric, creating a beautiful surface design with hand formed geometric patterns.

Achieve stunning results with this wallpaper in your bedroom or use it to visually increase the size of your bathroom. A very adaptable design that will work beautifully with bronze pendant lights or matte black bathroom hardware.

Made to order. Ships in 4-5 days

***Note:** Samples are provided for review of the material, pattern scale and print technique—they are not intended to be used for colour matching purposes. There can be slight shifts in colour between runs, so your wallpaper may vary slightly from sample colouring.*

Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.

SHIBORI

Welcome to the Exclusive wallpaper collection from Sydney studio Shibori, created by Pepa Martin and Karen Davis. A boutique textile agency, renowned for pushing the boundaries of this ancient Japanese craft. By exploring and modernising old techniques on modern fabrics the pair injects a strong design element into their work making an old craft new again.

Sourced from FSC Certified Forests and printed with water-based ink. Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries.

Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.

All Milton & King wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.

Cleanable – Dirt, dust and other marks can be simply cleaned using a damp cloth with soapy water.

Durable – Our designer wallpapers are also hard wearing and tear-resistant. This is a great advantage as the

wallpapers will not get torn during installation or removal.

Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal

Roll Size – 24” wide x 33’ long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
