Turtle Doves Wallpaper

Turtle Doves Wallpaper features elegant swirls of vines, flowers, and leaves in perfect symmetry. At the center of this design are British birds and roses. It is reminiscent of the Art & Crafts movement with a dash of folklore aesthetic. The artist's intention was to design a dense foliage which would appear to move in front of your eyes in a flowing motion.

The Turtle Dove is a beautiful & dainty British bird, a symbol of love, friendship and devotion, which comes from the fact that a couple of birds will stay together for a lifetime. Each of the botanical elements in this design were hand-drawn and repeated in a symmetrical way to create a dense and elegant floral tapestry.
