Palace Grove Collection

The Palace Grove collection is an intricately hand-painted celebration of heritage, craftsmanship, and storytelling through design. Inspired by the grandeur of South Asian palaces, the precision of Persian textiles, and the fluidity of organic motifs, this collection pays homage to the timeless elegance of ornamental geometry and botanical flourishes.

Blending delicate detailing with structured composition, Palace Grove captures the essence of traditional techniques. Each design is a testament to the artistry of the past, thoughtfully reimagined to resonate with a modern audience. Contemporary color palettes and artisanal styles meld flawlessly to create designs which radiate warmth, sophistication, and distinctive character.

With stunning statement murals and simple, elegant repeats, Milton & King invites you to immerse yourself in Palace Grove: a world of romance and refinement, where every pattern tells a story, and every space becomes a canvas for beauty and cultural expression.

Elegant yet simple, the Pietra mural is a playful twist on traditional interior styling. Combining elements of the magnificent Pavilion mural with the warmth and texture of Scallop Stripe, this design creates the illusion of two distinct wallpapers divided by a traditional dado rail at 4ft (1.2m). Intricate florals and rich detailing evoke a sense of rhythmic balance, making this the perfect design to transform a hallway or powder room into an artistic retreat.
