Petite All Overs Collection

The Petite Prints – All Overs collection takes its cues from nature and tradition, translating organic forms into timeless surface patterns. Inspired by mineral lines, fingerprints, coral reefs, and ocean currents, as well as nods to Japanese art, these designs celebrate the beauty of natural rhythms in a crafted, contemporary way.

Each wallpaper offers a study in texture and movement: the fractured geometry of clay and stone, the branching delicacy of coral, the swirl of drifting water, or the ebbing flow of shorelines. Small in scale but rich in detail, the collection balances subtle artistry with everyday versatility.

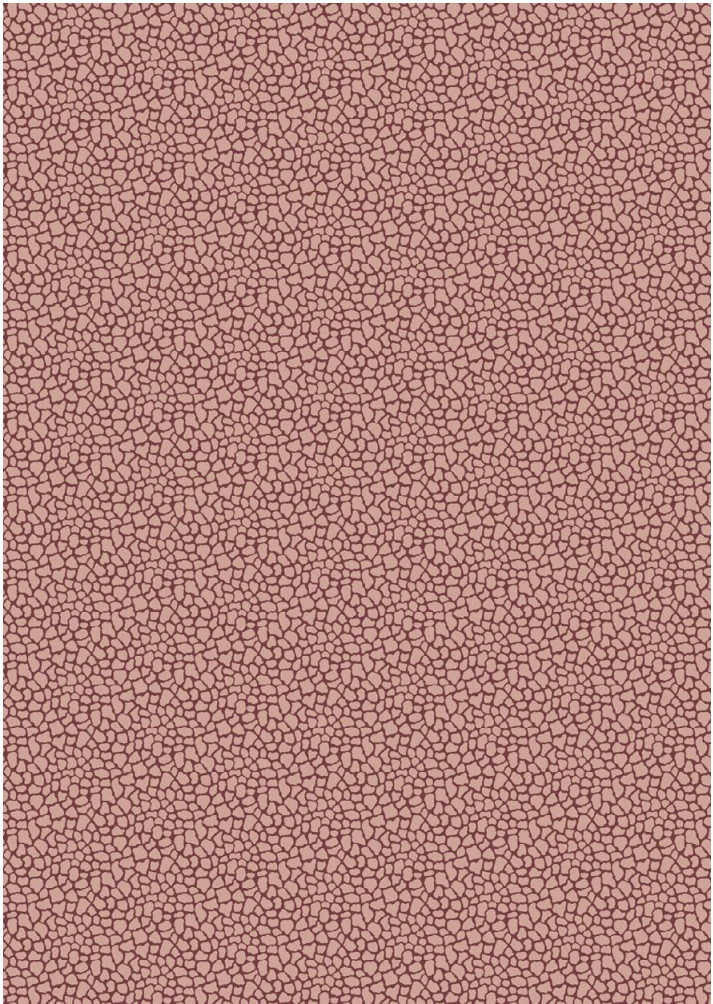

Hand-rendered and carefully colored, All Overs brings quiet intrigue to interiors. These designs work equally well as refined backdrops or characterful accents, layering depth and softness into any space.

Clay

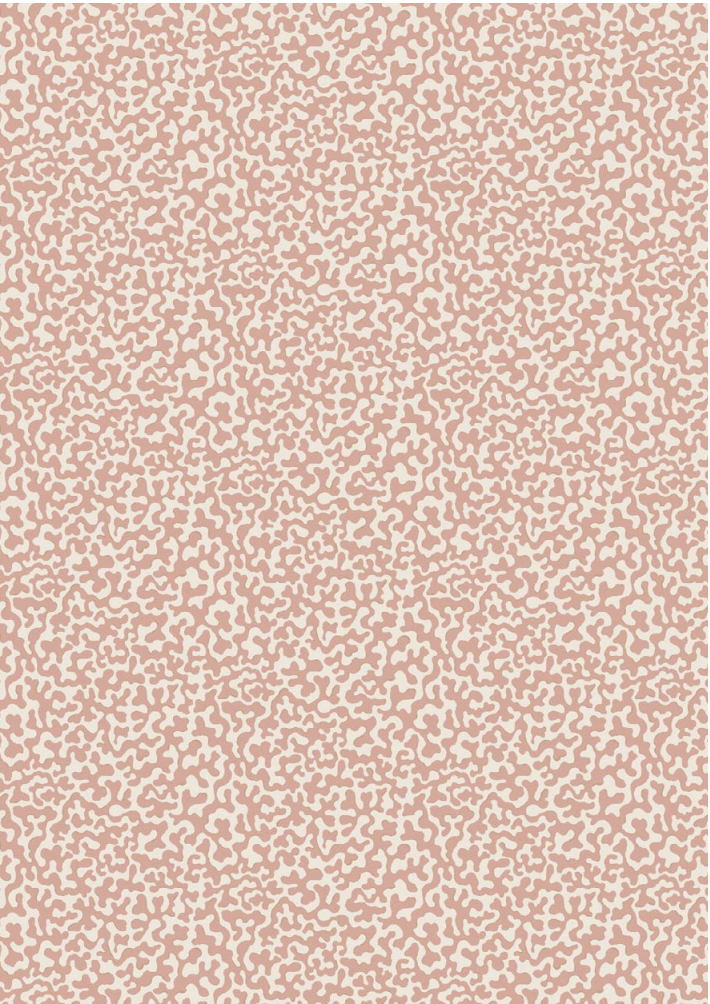

Clay is inspired by the fractured beauty of earth and stone. Its intricate network of lines creates a subtle mosaic effect, reminiscent of natural mineral formations. This design brings quiet texture and depth to interiors, perfect for grounding spaces with understated character. Clay works beautifully in neutral schemes or layered with bolder patterns.

RUBY | MKS035-RU | ROLL | 7 COLORWAYS

Coral

Coral draws on the branching forms of underwater reefs, expressed through a flowing all-over repeat. Its hand-drawn quality adds softness and movement, capturing the organic beauty of the ocean. Ideal for bedrooms, bathrooms, or living areas, Coral introduces gentle patterning that feels both serene and contemporary.

BLUSH | MKS036-BL | ROLL | 8 COLORWAYS

Drift

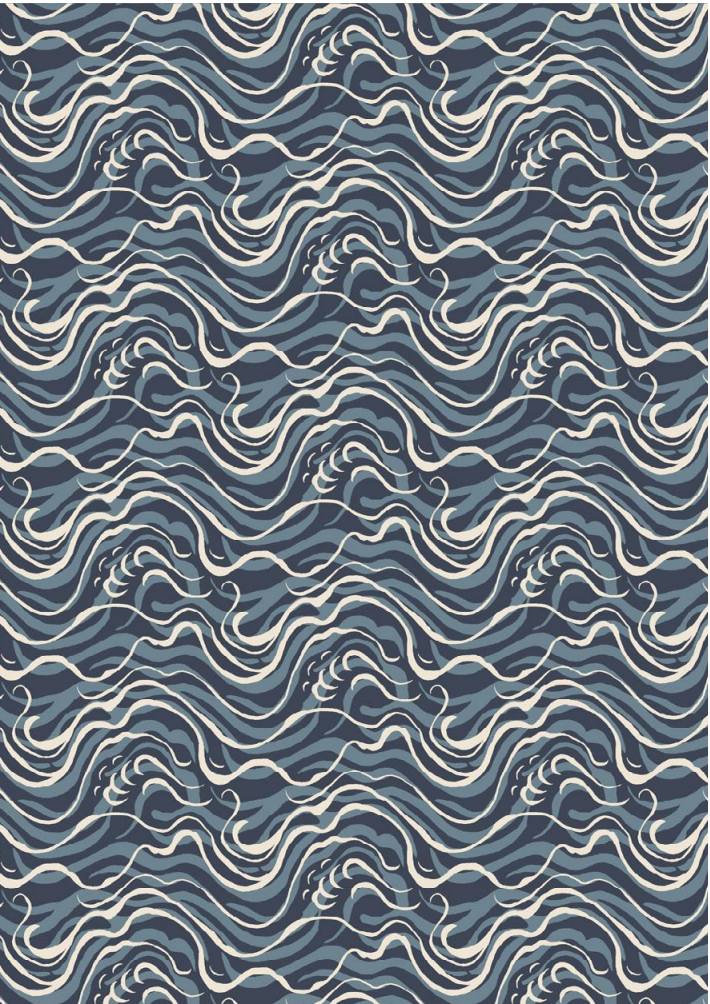

Drift is a study in fluid motion, with swirling shapes that echo water currents and shifting sands. Its abstract repeat has a lyrical quality, bringing walls to life with a sense of movement. Equally suited to modern spaces and more layered interiors, Drift creates an atmosphere that is dynamic yet calming.

OLIVE | MKS037-OL | ROLL | 6 COLORWAYS

Edo

Edo pays homage to traditional Japanese art forms, reinterpreting their timeless motifs with a modern sensibility. Its repeating lines and shapes suggest waves, scales, and flowing movement, balancing structure with fluidity. Versatile and sophisticated, Edo brings cultural richness and crafted elegance to interiors, whether used as a subtle backdrop or a statement wall.

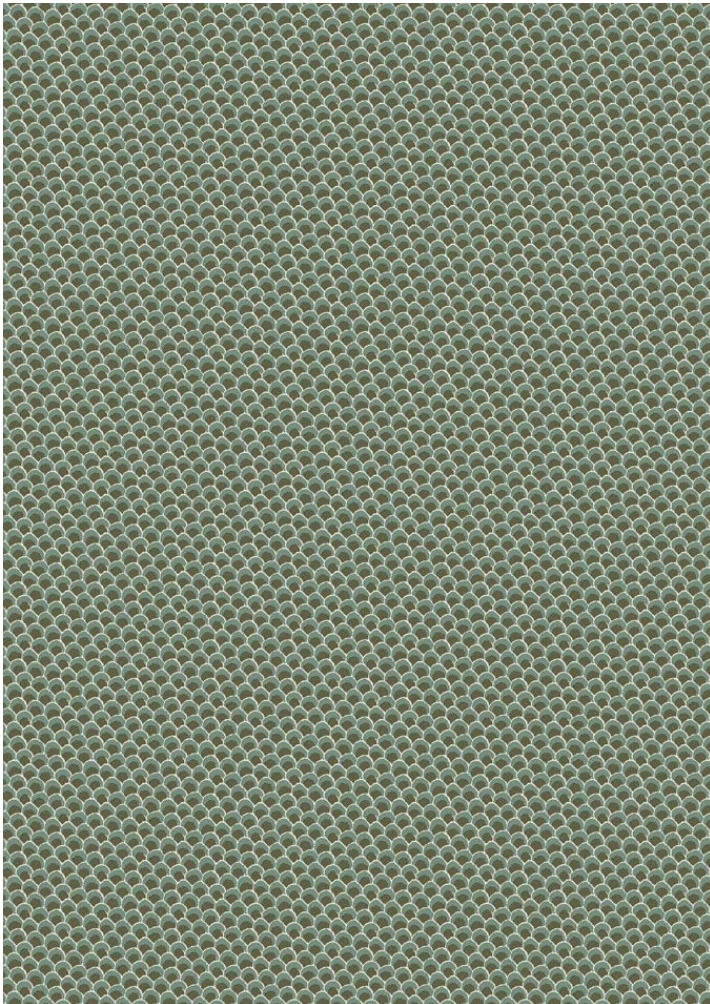

TIDE | MKS038-TI | ROLL | 6 COLORWAYS

Pip

Pip celebrates the simplicity of small-scale pattern. Inspired by seeds and natural markings, its delicate repeat has a playful yet refined character. A timeless choice for nurseries, kitchens, or light-filled spaces, Pip adds subtle charm without overpowering.

TEAL | MKS039-TE | ROLL | 7 COLORWAYS

Ripple

Ripple is inspired by the natural patterns found along shorelines and within mineral lines, its flowing forms almost reminiscent of fingerprints. The design carries an organic rhythm that feels both intimate and expansive. With its hand-drawn detail, Ripple introduces depth and movement to walls, creating a sense of quiet harmony. Ideal for adding subtle intrigue to living areas, bedrooms, or serene retreats.
