Petite Geometrics Collection

The Petite Prints – Geometrics collection explores the beauty of structure and rhythm through small-scale pattern. Inspired by traditional printing and hand-rendered techniques, each design brings a crafted quality that feels both familiar and fresh.

From bold diamonds and tessellated forms to softer dots and sunbursts, the collection celebrates repetition as decoration. These geometric motifs carry a playful energy while remaining versatile, offering balance and character without overwhelming a space.

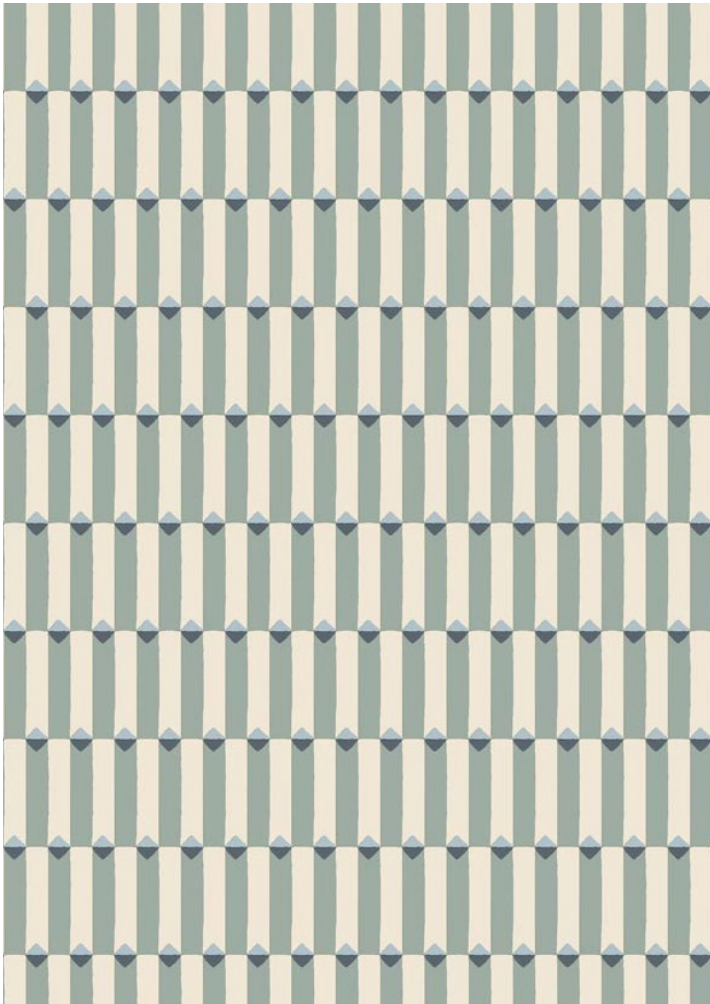

With pared-back palettes of two to three colors, the designs adapt seamlessly across interiors. Whether used to add vibrancy to a hallway, structure to a living space, or charm to a child's room, Petite Prints – Geometrics delivers timeless patterning with quiet sophistication and contemporary ease.

Axis

Axis creates a dynamic rhythm from vertical forms that repeat with subtle shifts in tone. Its pattern recalls architectural tiling, yet retains a hand-crafted softness. The design brings structure and depth to interiors without feeling rigid. Ideal for hallways, living rooms, or workspaces, Axis offers a geometric that is both grounding and refined.

Gem

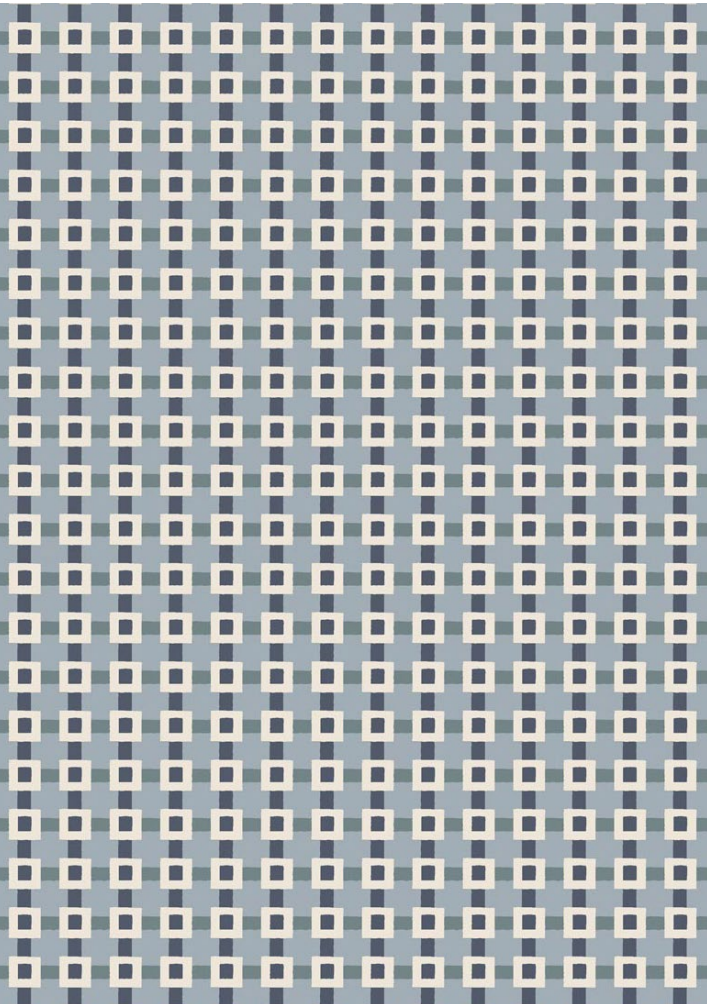

Gem sparkles with character, built from tessellated shapes that echo cut stones. Its repeating geometry feels decorative yet understated, thanks to a minimal palette. This wallpaper brings subtle richness to walls, working equally well in modern interiors or paired with antique furnishings. Gem is a versatile design with a jewel-like quality.

FOREST | MKS055-FO | ROLL | 8 COLORWAYS

Knot

Knot weaves together interlocking lines to create a pattern reminiscent of hand-tied textiles. Its repeating motif offers both rhythm and warmth. With its crafted feel, Knot adds texture and depth to spaces without overwhelming. It is perfectly suited to living rooms, studies, or anywhere that benefits from a balance of order and softness.

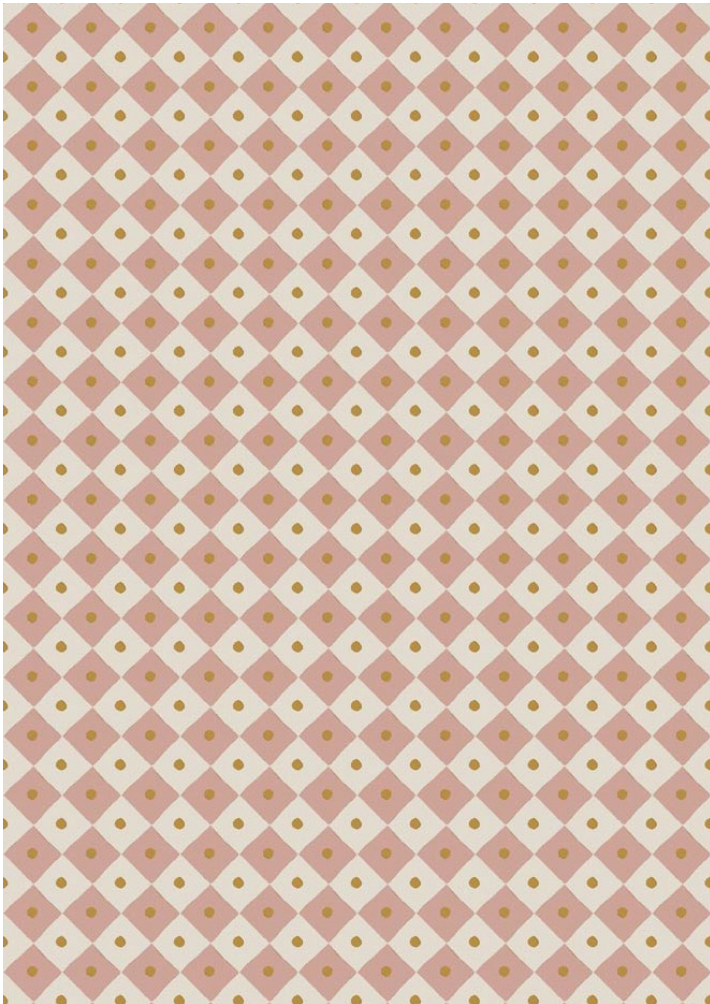

CORNFLOWER | MKS056-CO | ROLL | 7 COLORWAYS

Checkerboard

Checkerboard reinterprets a timeless motif with a playful scale and softened palette. Its diamond grid is punctuated by subtle detail, balancing order with charm. This design works beautifully as a statement wall or across an entire room, adding personality while remaining approachable. Checkerboard is a classic reborn for contemporary interiors.

Flag

Flag celebrates bold geometry with triangular forms that stack in rhythmic succession. The result is a stripe-like effect that feels lively yet balanced. With its striking repeat, Flag adds a sense of energy to interiors, from dining rooms and studies to playful children's spaces. Its crisp detailing and artisanal touch keep the design enduringly stylish.

Frond

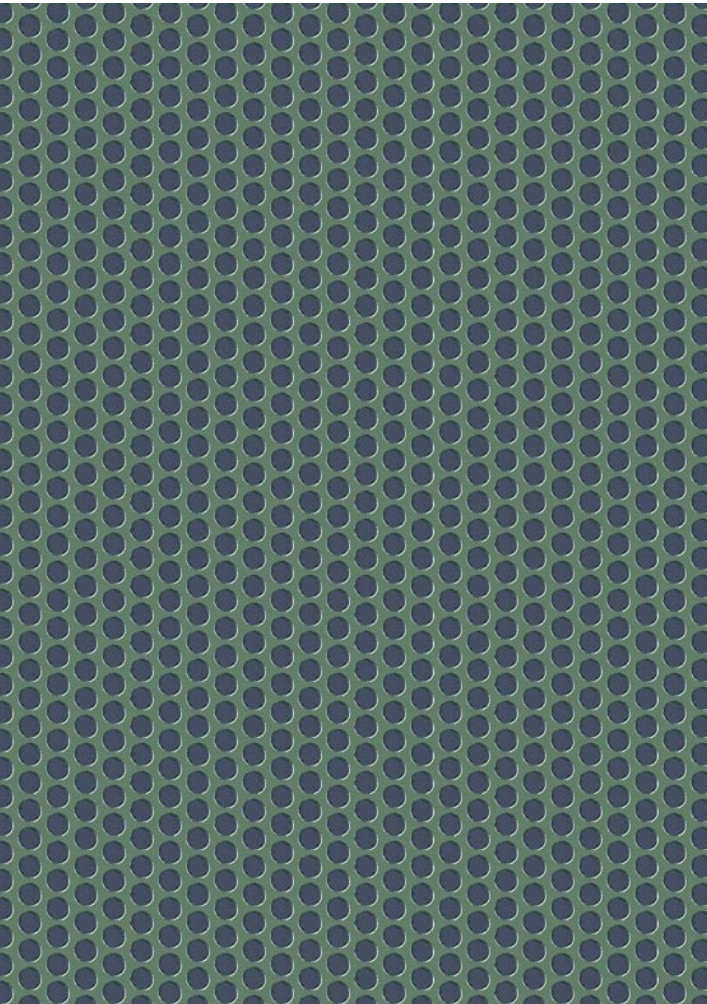

Frond takes inspiration from stylised foliage, expressed through a delicate geometric repeat. Its small-scale pattern offers a subtle nod to nature while retaining graphic clarity. Perfect for adding quiet pattern to bedrooms, powder rooms, or reading nooks, Frond delivers a sense of organic calm through its orderly design.

GOLD | MKS054-GO | ROLL | 7 COLORWAYS

Spot

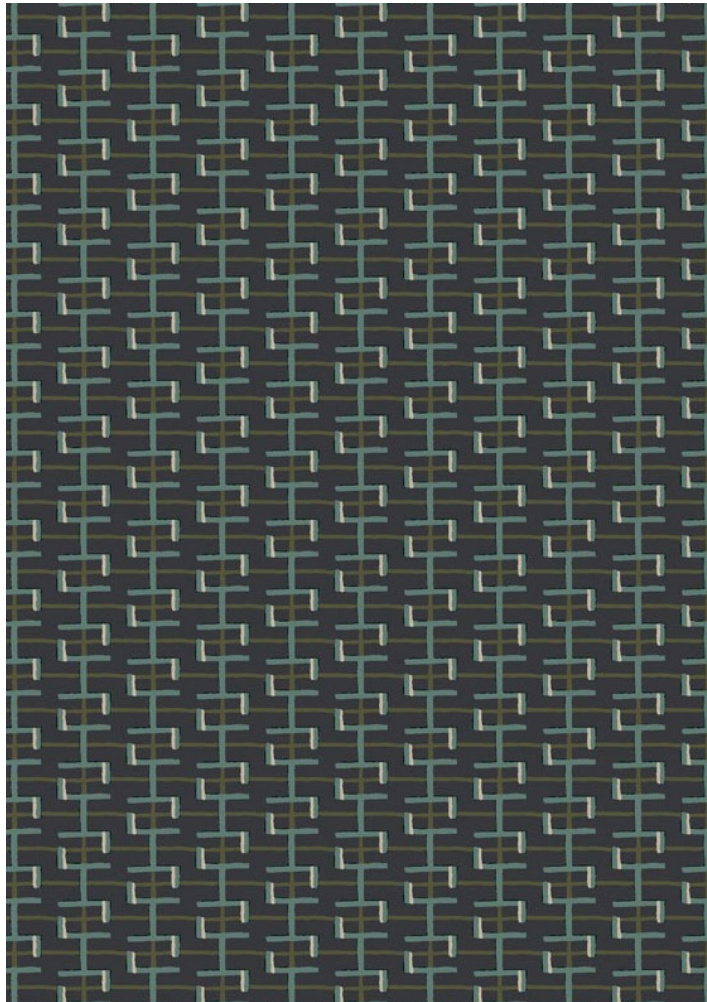

Spot reimagines the classic polka dot with a hand-painted touch. Its neatly structured repeat carries a crafted softness, making it approachable and versatile. From nurseries to entryways, Spot brings playful charm without overwhelming a space. It's a pattern that balances whimsy with quiet sophistication.

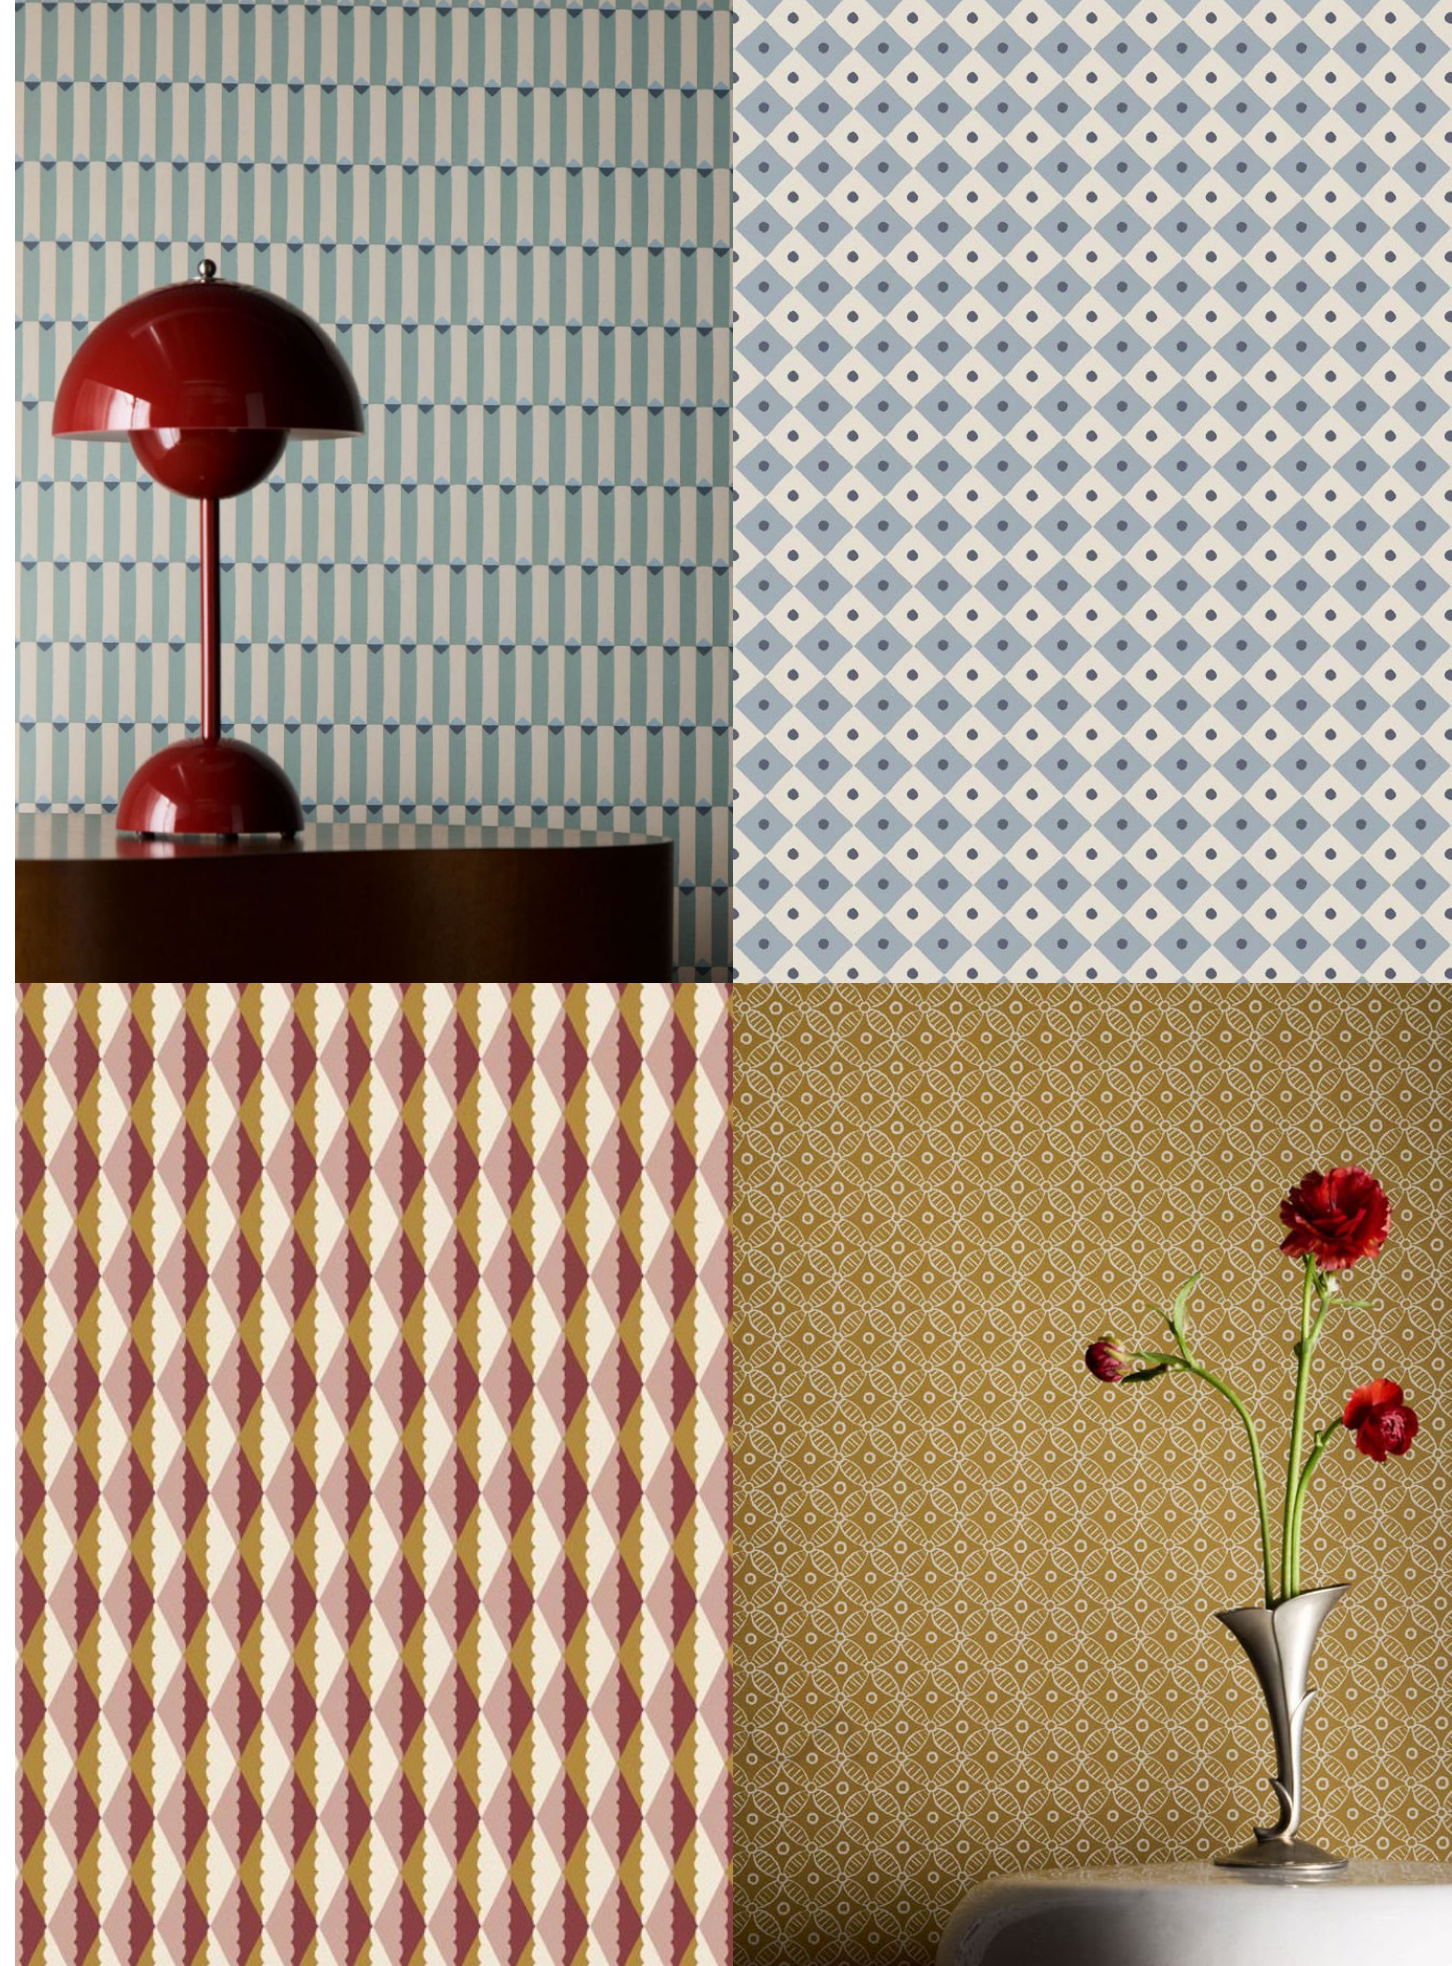

INDIGO | MKS058-IN | ROLL | 8 COLORWAYS

Orbit

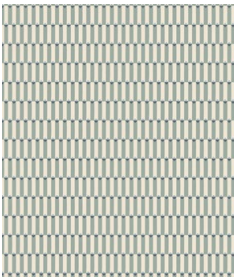

Orbit plays with rounded forms arranged in a loose, rhythmic sequence. The result is a pattern with a gentle sense of movement and crafted charm. This approachable design adds lightness to interiors, ideal for kitchens, bathrooms, or family rooms. Orbit is playful yet timeless, offering subtle character to everyday spaces.
