Petite Stripes Collection

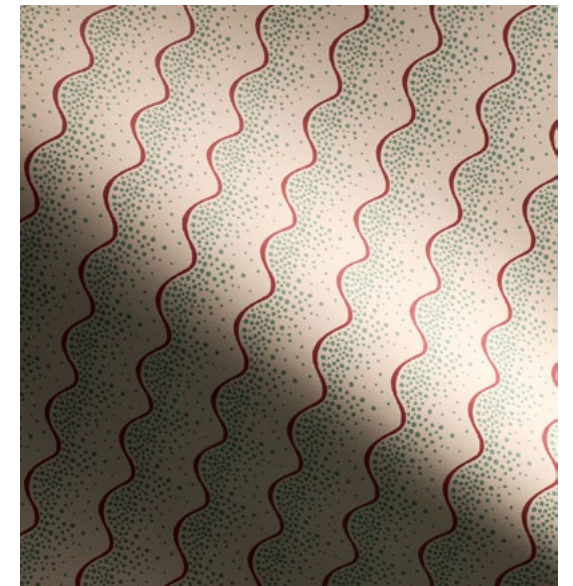

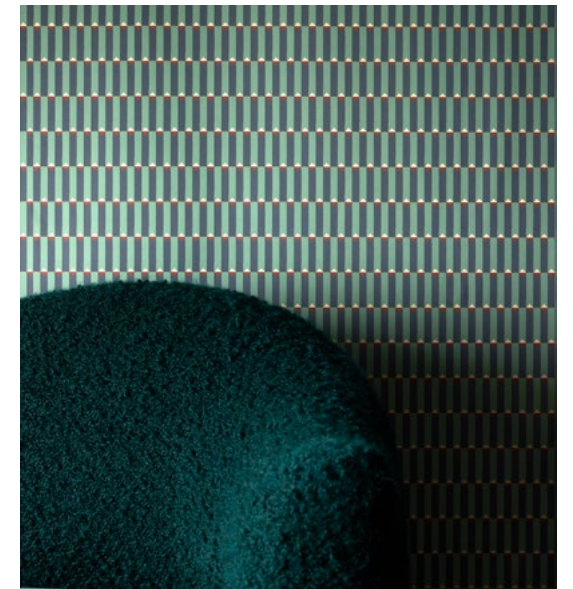

The Petite Prints – Stripes collection celebrates the charm of small-scale pattern with a contemporary twist on timeless classics. Inspired by traditional printing and hand-painted techniques, these designs capture an artisan quality while remaining versatile for modern interiors.

Each stripe carries a playful balance of structure and whimsy. Scalloped edges, tailored repeats and subtle textures lend depth without overwhelming a space. With roots in cottage nostalgia, mid-century simplicity and classic patterning, the collection bridges styles with ease, making it as fitting for a cosy nook as for a statement hallway.

A considered palette of just two to three colors per design keeps the look refined and adaptable. The result is a series of wallpapers that feel both characterful and understated, perfect as a backdrop or a subtle focal point.

Whether you are drawn to heritage-inspired charm or a fresh update for contemporary living, Petite Prints – Stripes transforms walls with quiet sophistication and enduring style.
