Alfresco REVIVAL

THE SEASON'S GARDENS • SUMMER-FRUIT RECIPES • LUXE ESCAPES

Backyard bliss starts with a luxurious lounger. Adjustable from flat to upright for reading, the teak 'Riviera' sun lounger by Coco Republic (from \$3295) comes in 11 fabric options, from stripes to solids.

Stylescape

WITH SOPHIE WILSON

Sunloungers, sunglasses and sleek beachside wares: tick! This month, H&G's stylist scrolls the shops for the sunniest finds in fashionable hues, from blues to browns, ideal for days at home or by the sea.

Portrait photograph by Alana Landsberry.

SHADY OFFERING

Raise the style stakes on outdoor lounging at home with this double-tiered umbrella – shade never looked so good; \$1499, Retro Umbrella Co.

COVER UP

A post-swim or after-shower layer is a must-have. Try the towelling robe, \$230, Ochre Lane.

SEA SQUARED

Invite coastal appeal into your outdoor kitchen with blue and white 'Bronte' tiles laid in a chequerboard pattern; \$200/sqm, TileCloud.

TOWEL DOWN

Throw a plush patterned towel over your shoulder for a chic poolside look. A favourite of mine is the MT x MYC bath sheet in Chocolate, \$95, Mulberry Threads.

CARRY ON

Add a hat, SPF and your latest read to a woven beaded bag in one of three colours; \$250, Wynn Hamlyn.

STYLE IT

Group white ceramic vases for an effortless Euro-style tablescape. 'Anthea' vase in Chalk, \$181, Domayne.

ALL EYES

I'm loving aviator-style sunglasses in the tortoise shell-inspired 'Havana' finish; \$715, Saint Laurent.

PLANT LIFE

Mix vases with small potted herbs, such as rosemary, to elevate an outdoor lunch table. I love this French Provincial pot for its scalloped detail; \$74.95, French Knot.

GO CLASSIC

Prefer a vintage aesthetic in outdoor furnishings? You'll love the 'Waterhouse' sun lounger, \$3399. Shop the colour options at Business & Pleasure Co.

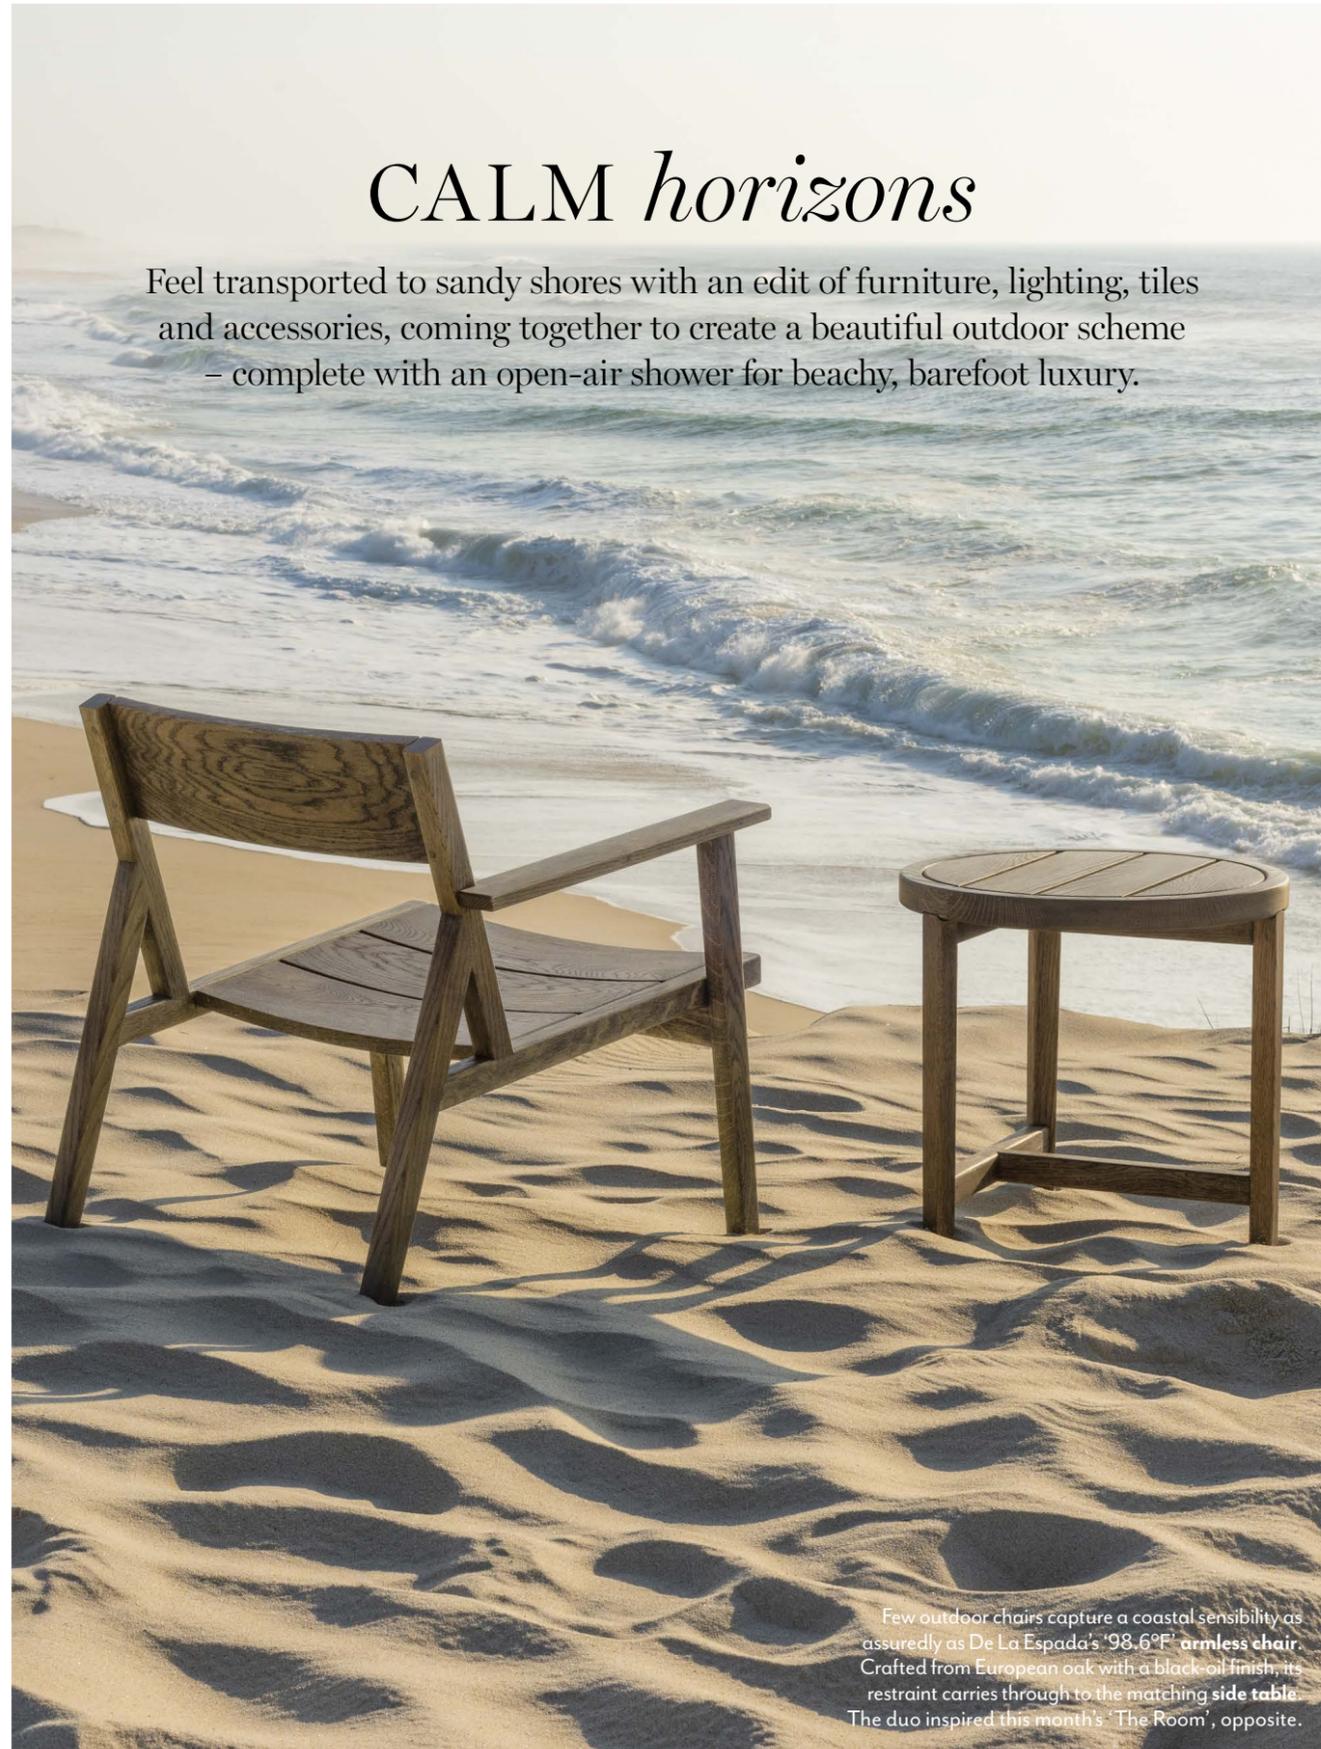

TOP FIVE beach towels

1 'Dunes' towel, \$99, Sunday Supply Co. 2 'Wave' towel in Umber, \$135, Soleil Soleil. 3 'Palma Stripe' towel in Mulberry/Shell, \$89.95, Aura Home. 4 Missoni 'Acapulco 100' towel, \$350, Winnings. 5 'Ellis' towel in Dark Olive, \$99.95, Country Road. ▶

CALM *horizons*

Feel transported to sandy shores with an edit of furniture, lighting, tiles and accessories, coming together to create a beautiful outdoor scheme – complete with an open-air shower for beachy, barefoot luxury.

Few outdoor chairs capture a coastal sensibility as assuredly as De La Espada's '98.6°F' armless chair. Crafted from European oak with a black-oil finish, its restraint carries through to the matching side table. The duo inspired this month's 'The Room', opposite.

Paint colours are reproduced as accurately as printing processes allow.
